A Rewarding Experience

My decision to take the opportunity to spend a semester in a university outside Hong Kong has proved to be rewarding. I am certain a similar experience would enhance anyone's life experience and help to broaden his or her horizons.

Positive Learning Attitude

Students in University of Indiana learn very actively. I enjoyed this sharing of ideas during classes because I could learn others' opinions that could not be found in textbooks.

Amazing Experience

As an exchange student in Unites States, I had many great exposures, such as having classes in a totally new environment under different education system.

Gain or Lose

What I have learned from them is not only American culture but also their eagerness to try and to be open-minded.

Self-understanding

What I treasured most in my exchange life was my personal development. After my half-year abroad, I believe I gained a better understanding of myself.
