ABOUT CITY UNIVERSITY OF HONG KONG

City University of Hong Kong (CityU) is a world-class, dynamic university uniquely located right at the heart of Asia's World City where East meets West.

Founded in 1984, CityU was formerly named as City Polytechnic of Hong Kong, and promoted as a full university in 1994. CityU is committed in the pursuit of excellence to provide professional education, to make a difference in the lives of the next generation, and to bring benefits for society.

CityU has achieved phenomenal growth since its establishment. To date, it has a student population of more than 20,000 enrolled in over 130 programmes at the undergraduate and postgraduate levels.

CityU is ranked 55th in the world, 21st in Asia, 5th among the world's top 50 universities under 50 years of age, in the latest QS World University Rankings 2019.

ABOUT COLLEGE OF BUSINESS

The College of Business at CityU was established in 1990 and is one of the premier business schools in the world.

We have put a remarkable effort into research. Our faculty conducts high quality research in a diverse range of inter-disciplinary research areas, with emphasis on business, management and financial applications.

We strive to nurture all-rounded graduates who are competent professionals, critical thinkers and life-long learners. We offer state-of-the-art learning, teaching and research facilities to prepare them for the challenges and exciting opportunities opening up in Hong Kong, the Asia-Pacific region and the world.

- Department of Economics and Finance
- Department of Information Systems
- Department of Management
- Department of Management Sciences
- Department of Marketing

EXECUTIVE EDUCATION

The College of Business has been providing Executive Education in Hong Kong, mainland China, and worldwide for over a decade. Positioned at the meeting point of east and west, we are ideally placed to serve clients from various sectors.

Our customised Company Programmes are designed to ensure the development of executives. The tailor-made programmes are drawn on the expertise of our esteemed faculty members and business consultants. Our competitive strengths include areas of risk management, sustainability, corporate strategy, and leadership in the Chinese context.

We have also established a strong bond with global educational institutions. Our international and regional academic partners recognise our excellence in teaching and extensive network in Hong Kong and mainland China. We collaborate to work on international corporate/academic programmes, including courses for government officials and Executive Master of Business Administration (EMBA) students.

INTERNSHIP

We have worked intensively to establish contacts with leading businesses for our undergraduate students. The internship, both local and overseas, allows students to discover business practices beyond classroom training, and prepare them for the challenges and changing environment ahead.

Our Business Career Services aims to help students to enhance their employability by guiding through all stages of career development process. We provide students personalised career consultations, career fair, recruitment events, and opportunities to build up their sustainable network with industry communities, etc.
