The *Asia-Pacific Journal of Accounting and Economics (APJAE)*, co-published by the Faculty of Business of City University of Hong Kong and the College of Social Science of National Taiwan University, is an international forum intended for theoretical and empirical research in all areas of economics, finance and accounting in general, and, in particular, the interface of these three areas. The journal welcomes contributions related to the Asia Pacific region as well as top quality research from scholars with diverse regional interest.

APJAE is a double-blind refereed journal. Starting from Volume 14 in 2007, APJAE publishes every April, August and December.

For subscription, please visit APJAE's official website: www.roae.org.
