Saint Louis University has served for more than 180 years as a "gateway to the future" for more than 100,000 students seeking to discover something better within themselves and in the world around them.

Saint Louis University offers opportunities for hundreds of international students and scholars from nearly one hundred countries studying a wide variety of programs.

SLU’s campus is located in the midtown section of the city, approximately four miles west of the Gateway Arch. Transportation will be provided for international students from the airport to the campus.
Words are nice, but they don’t always tell the full story. Sometimes you have to see something to believe it. This is absolutely true for the exchange programme. What makes it so valuable is the experience one has gained after joining the programme.

The exchange programme has offered us a chance to experience foreign culture, a chance to “see” and feel. Exchange life in the USA has become one of our sweet memories. Thank you, CityU!
