How have you been, MS Alumni? It is the time to share with you the updates from the past few months.

Message from the President

Time flies fast and I would like to take this opportunity to thank all the MSAA council members, alumni and the MS Department for their support in the past two years. "We share, we learn" is our slogan and we believe that by holding various kinds of gatherings and seminars, we will share between MS alumni and Department and learn from each other.

Looking forward, the 2nd MSAA will be elected on Dec-07 and it is sure to keep connecting all of you in the coming two years and my wish is that you will come back and join us the coming MSAA activities.
