

## Congratulations! Six Students Awarded a Fast-Track Second-Year Graduate Offer by PwC Under The CityU x PwC Assurance Apprenticeship Programme

The Department of Accountancy selected six students — Lam Wing Ho Stanley, Petra Au Hoi Ying, Daphne Chan Ching Leuk, Attie Mang Fen Ching, Queenie Cheng Kwan Lai, and Alice Chan Fong Ting — to participate in the PwC Apprenticeship Programme. We are very honoured and delighted to announce that these students were awarded a second-year graduate offer from PwC as “Associate II,” which recognizes the students’ outstanding efforts and performance throughout the programme. The programme is a unique opportunity that allows students to gain invaluable industry experience at one of the world’s premiere professional firms.

Dr. Annie Mok, the Department In-charge of CityU x PwC Assurance Apprenticeship Programme, said, “It is our honour being the only university in Hong Kong to partner with PwC in this programme for 5 years to cultivate the elite AC students to achieve fast track in their careers. It is not easy but we achieved that. Although cultivating and nurturing students is a challenging task, possibly the most time-and-effort-consuming task, I found this task rewarding and I am so happy and excited to take part in the success stories of Stanley, Petra, Daphne, Attie, Queenie and Alice. I wish them all the success in their future careers.”
