

2025 MAIA & MScPACG Summer Graduation Party (8 August 2025)

2 SEPTEMBER 2025

The Department of Accountancy organized a Summer Graduation Party for the 2025 Summer graduates of the MAIA and MScPACG programme on 8 August 2025. This gathering provided the faculty and students with opportunities to bond and facilitated the development of the graduates network.

Prof. Stephen Sun, Programme Leader of MAIA, and Dr. Jennice Lam, Associate Programme Leader of MAIA and MScPACG, extended their congratulations to the graduates. Prof. Chen Yangyang, Head of the Department of Accountancy, offered words of wisdom and encouragement, urging the graduates to apply what they had learned to contribute positively to the accounting profession and to society at large. The graduates enjoyed spending time with the Department's faculty and teaching staff. They received valuable advice from the faculty members and shared memories and experiences with their fellow classmates. Once again, we congratulate the graduates and wish them the best in their future endeavors.
