

2025 MAIA & MScPACG Summer Graduation Party (8 August 2025)

2 SEPTEMBER 2025

The Department of Accountancy organized a Summer Graduation Party for the 2025 Summer graduates of the Master of Arts in International Accounting (MAIA) programme and Master of Science in Professional Accounting and Corporate Governance (MScPACG) programme on 8 August 2025. This gathering provided faculty and students with opportunities to bond and facilitated the graduates' development of an alumni network.

Prof. Stephen Sun, Programme Leader of MAIA, and Dr. Jennice Lam, Associate Programme Leader of MAIA and MScPACG, extended their congratulations to the graduates. Prof. Chen Yangyang, Head of the Department of Accountancy, offered words of wisdom and encouragement, encouraging graduates to apply what they have learned to contribute positively to the accounting profession and to society at large. The graduates enjoyed spending time with the Department's faculty and teaching staff. They received valuable advice from faculty members and shared memories and experiences with their fellow classmates. Once again, we congratulate the graduates and wish them the best in their future endeavours.
