The Department of Accountancy (AC) welcomes a delegation from the Hong Kong Institute of Certified Public Accountants (HKICPA) for a Courtesy Visit on 16 September 2025, marking a meaningful step in strengthening the partnership between the two institutions.

Prof. Alvin Leung, Associate Dean of the College of Business (Undergraduate Programmes), and Prof. Chen Yangyang, Head of the Department of Accountancy, welcomed Mr. Kit Wong, Director of Education and Training at HKICPA, and his team.

The HKICPA delegation shared insights into new initiatives, including the new HKICPA Certificate in Accounting and Business (CAB) and enhancements to the Qualification Programme (QP), designed to equip students with essential analytical, digital, and strategic skills for diverse business careers. These developments are highly relevant not only to accounting majors, but also to interdisciplinary and business students, preparing to thrive in today's dynamic business environment.

This visit fosters collaboration in advancing accounting education and preparing the next generation of professionals to meet the challenges of the global market. AC looks forward to ongoing dialogue and future engagements with HKICPA.
