30 APRIL 2026

On 25 March 2026, the Department of Accountancy (AC) was invited for an exclusive visit to the Hong Kong Institute of Certified Public Accountants (HKICPA). This visit provided AC students with a valuable opportunity to deepen their understanding of the accounting profession and engage directly with HKICPA representatives.

During this visit, students met with HKICPA professionals and explored extensive career opportunities in the accounting field. The HKICPA conducted an insightful sharing session covering topics such as “Your QP in the Age of AI”, “Becoming a Multi-Disciplinary Professional”, and “The Importance of Sustainability Reporting”.

AC extends its gratitude to the HKICPA for hosting this exclusive visit and providing sharing sessions for our students. The visit served as an invaluable platform for the students, enabling them to gain insights into the accounting profession and its relevance to their careers and lifelong success. The knowledge shared by industry experts inspired the attendees and better equipped them to navigate their future in accounting.
