

MAIA & MScPACG “Gather-to-gether” Reception (10 September 2026)

15 OCTOBER 2026

On 10 September 2026, the Department of Accountancy organized a “Gather-to-gether” reception for students in the Master of Arts in International Accounting (MAIA) and Master of Science in Professional Accounting and Corporate Governance (MScPACG) programmes. This gathering brought together the 2026 cohort and esteemed faculty members in a casual and friendly setting. Students enjoyed connecting with their peers, sharing experiences, and engaging in meaningful discussions about their studies and career aspirations.

Prof. Zheng Liu and Prof. Stephen Sun, the respective MScPACG and MAIA Programme Leaders, welcomed the students to their programmes. They shared key information on study planning, programme requirements, and available learning opportunities to help students make a strong start to their studies.

Students appreciated the opportunity to meet with the Department's faculty and teaching staff, who offered valuable advice and encouraged strong connections between classmates. We once again congratulate the new cohort and wish them every success in their studies and the exciting journey ahead.
