The Department of Accountancy (AC) organized a Group Interview Training Workshop for MAIA and MScPACG students on 15 November 2024. This was designed to equip students with the skills required to be successful in the graduate recruitment process when applying to Big-4 firms, along with other CPA firms and commercial organizations.

The workshop was led by Mr. Ivan Au, Partner at PwC, Mr. Mackie Mak, Senior Manager at PwC, and Ms. Eva San, Campus Recruitment Team Manager at PwC. They shared their extensive expertise and valuable insights into how group interviews can be effectively navigated.

By engaging in mock group interviews based on real cases and CV review sessions, the students had the opportunity to identify their strengths and areas for improvement, which can help prepare them for actual recruitment processes. Each student received immediate personalized feedback, which provided them with key insights. We are confident that every student left the workshop with improved practical skills and the confidence to succeed in their future careers.
