**29 NOVEMBER 2024**

On 26 November 2024, the Department of Accountancy organized a “Gather-to-gether” reception for the Master of Science in Professional Accounting and Corporate Governance (MScPACG) students. This tea gathering brought the 2024 cohort and esteemed faculty members together in a casual and friendly setting. The students enjoyed connecting with their peers, sharing their experiences, and engaging in meaningful discussions about their studies and career aspirations.

Prof. Zheng Liu, the MScPACG Programme Leader, welcomed all students to the programme. She congratulated them on their accomplishments and encouraged them to seize every opportunity that comes their way. Dr. Jennice Lam, the Associate Programme Leader, offered valuable insights into the HKICPA Qualification Programme, with the aim of inspiring students to pursue this professional qualification.

The students appreciated the time spent with the Department’s faculty and teaching staff, who provided valuable advice and helped to cultivate strong connections among classmates. The students are excited about the opportunities ahead and eagerly anticipate their academic journey, and we again congratulate them and wish them all the best in their future studies.
