

Tea Gathering for MScPACG Programme Graduates

The Department of Accountancy organized a gather-to-gether reception for the Corporate Governance stream (CG) and Professional Accounting stream (PA) of the Master of Science in Professional Accounting and Corporate Governance (MScPACG) programme on 29 May 2023 and 14 June 2023 respectively. The reception served as an opportunity for faculty and students to bond, and to help build an alumni network after graduation.

Prof. Chen Yangyang, Head of the Department of Accountancy, and Dr. Wang Zheng, MScPACG Programme Leader, delivered a short speech to the 27 MScPACG CG students present during the event on 29 May 2023, congratulating them and encouraging them to identify and seize opportunities.

Likewise, Dr. Sidney Leung, Associate Head of the Department of Accountancy, and Dr. Wang Zheng both delivered a short speech to the 44 MScPACG PA students present during the event on 14 June 2023, congratulating them and offering them words of encouragement to seize opportunities.

The faculty and teaching staff of the Department of Accountancy also accompanied the students. The event was a great success; the students received valuable advice from the faculty and built a closer bond with their fellow classmates. The Department once again congratulates them, and wishes them all the best in their future endeavors.
