Note:

Students who are having deficiencies in any of the business subjects (i.e. Economics, Management, Marketing and Statistics) can make up their deficiencies by taking the corresponding (prescribed) optional elective courses (see below) in order to be eligible for enrolment in the Professional Level of the new QP.

Prescribed elective courses for students with deficiencies in the business subjects for the purpose of registration with the HKICPA's new QP.

- AC5890 Business Management for Accountants: for students who may not have sufficient coverage of the subject area of Management and/or Marketing in their previous studies in meeting the exemption requirement of the new QP in respect to the Associate Module 4 Business Management.
- AC5891 Business Economics and Statistics for Accountants: for students who may not have sufficient coverage of the subject area of Economics and/or Statistics in their previous studies in meeting the exemption requirement of the new QP in respect to the Associate Module 3 Business Economics.

To learn more about the new QP, you may wish to refer to the Position Paper of the new QP, which was released in January 2017
<<http://www.hkicpa.org.hk/en/become-a-hkicpa/new-qp-position-paper/>>.

Only those students who have studied and passed in the subjects with substantial coverage relevant to Modules of the Associate Level of the new QP of HKICPA are eligible for exemption of the Modules concerned[#].

[#] The exemption is subject to fulfilling the requirements of HKICPA.
