

## Postgraduate Achievement - Journal Publication by an MScPACG (PA Stream) Student

Mr Zhang Zheyu, a Master of Science in Professional Accounting and Corporate Governance (MScPACG) - Professional Accounting Stream student, and a scholar at Tianjin University co-authored a paper entitled “The Research about Feasibility of Introducing Reverse Pricing System in Booking Hotels on Online Travel Agency - Based on Nonstationary Semi Markov Decision Process,” The paper has since been published in *Special Zone Economy* (經濟特區). Mr Zhang’s impressive achievement should inspire our AC Bachelor’s students to pursue further studies after graduating.

For more details of Mr Zhang’s paper, please click on the following link:
