

## New Staff Arrival – Dr Christian Paparcuri

My name is Christian Paparcuri and I am delighted to be joining CityU's Department of Accountancy as an Assistant Professor. I am from Venezuela. I moved with my family to the United States when I was 10 and grew up in Miami. I have a Bachelor's degree and a Master's degree in Accounting from the University of Florida and a Ph.D. in Accounting from Arizona State University.

I will be teaching taxation to undergraduate students this coming semester. My research focuses on taxation, in particular tax administration. My goal is to conduct research that helps tax authorities become more efficient with their limited resources and helps companies avoid costly tax conflicts.

In my spare time, I enjoy camping and riding and fixing motorcycles. I have traveled a lot in North America on a motorcycle.

I am excited to meet my future students and start new projects with my fellow faculty members. I am grateful to advance in my career at CityU.
