

Research Promotion Activity – Financial Reporting Council’s In-house Luncheon with Academia

Professor Phyllis Mo was invited by Dr. Kelvin Wong, Chairman of the Financial Reporting Council (FRC), to speak at the FRC’s “In-house Luncheon with Academia” on 23 August 2021. Professor Mo shared the research findings of her paper “Does Independent Director Experience Improve Individual Auditors’ Audit Quality” (forthcoming in *Journal of Accounting, Auditing and Finance*) with the FRC’s senior executives, including Dr. Kelvin Wong, Chairman, Mr. Marek Grabowski, CEO, Ms. Florence Wong, Deputy CEO and Head of Oversight, Policy and Governance and other senior staff. The talk was given in plain language in an easy-to-digest format, and it received many positive comments. This activity was a significant way for the department to interact with regulators to increase its research impact.
