## 2024 APAC Career4Corp Challenge – Corporate Analyst Development Program (CADP)

Join our 2024 APAC Career4Corp Challenge – CADP and have the opportunity to collaborate with like-minded students during a case study challenge and develop solutions on a selected business scenario. This is an exciting and interactive event to give you exposure to a realistic business case that the firm faces in the operations space.

By participating in the event, you will also have the chance to be prioritized in the 2025 Corporate Analyst Development Program (CADP) 9-weeks Summer Internship Assessment Center.

### Corporate Analyst Development Program (CADP)

You will have the opportunity to develop your foundational skills within one of our lines of business or corporate functions, in one of three core business disciplines: Analytics, Project Management and Process Improvement.
