

WOMEN’S HISTORY MONTH  
WOMEN WHO INSPIRE SERIES

At Morgan Stanley, we recognize the importance of having a diverse workforce. As this year’s Women’s History Month approaches, we are pleased to invite you to a series of events.

Women in Banking Forum

Participate in the Women in Banking Forum and join the conversation with women working across the Investment Banking Division and Global Capital Markets Division, as they discuss their personal and professional experience working in one of the world’s most dynamic industries.

Look beyond the start of your career. From Analysts to Managing Directors, learn from their experience to explore how a career at Morgan Stanley can help you reach your full potential.

The forums are open to all students who are interested in starting their career in Asia.

Future Female Traders Program

We are pleased to launch the 2024 Future Female Traders program in partnership with Amplify Trading.

Future Female Traders is a competition targeting female students who are interested in learning more about a career in finance, and more specifically, the Sales & Trading function. Participants will have the opportunity to play the roles of a salesperson, a trader and a fund manager, gaining valuable insights into what it might be like to work in these areas.

The simulated competition is open to all students who are interested in starting their career in Asia.
