Meet us at Campus!

Be our guest – Join our Early Application & Enjoy the Exclusive Offers

Dear Fellow Student,

Ready to embark on your PwC journey? We have an exclusive opportunity for **early birds** like you who are eager to kick-start their career with us! By securing your application early by **28 September 2025**, you're not just applying — you're unlocking special perks designed to elevate your PwC experience.

Want to learn more about PwC before submitting your application? **Join us on campus!** This is your chance to **connect directly with our leaders** across various business lines, experience the PwC culture firsthand, receive personalized career guidance, and potentially earn a **green pass** to our final assessment day — or even secure an **on-the-spot interview or offer!**

Don't miss out on this exciting chance to take your first step with PwC.

Exclusive offers for early application!

1. Career Consultation Session:

Connect one-on-one with our experienced recruiters, who are ready to offer personalized career advice tailored just for you. Uncover your unique career path, gain insights into PwC's inner workings, and get exclusive interview tips that will give you a competitive edge.

2. Second Shot at Your Application Preference:

We understand that your academic background and experience are unique. Our recruiters will carefully match you with the best-suited business units to maximize your chances of success. Plus, you'll have the opportunity to revisit and fine-tune your preferences for an even better fit!

Exclusive benefits for students joining our career talk and roadshow booth in campus:

Meet our business representatives in person and unlock the chance to receive a green pass to the final assessment day. Even better, you might secure an on-the-spot interview—or an offer—right then and there! This is your moment to shine, stand out early, and get ahead of the competition. *(Come to our booth/career talk to know more details!)*
