### HICOOL

---

HICOOL brand was established in 2020, it is an all-in-one startup ecosystem managed by Beijing Overseas Talents Association, introducing and servicing entrepreneurial talents through the Competition and Summit, empowering technology-based startups, and encouraging innovations by value creation. HICOOL has built 6 business units, including the Competition/Summit, the Business College, the Industrial Park, the Service Manager, the Investment Fund, and the HICOOL@ONLINE Digital Platform. Through the multi-dimensional and international service matrix, HICOOL facilitates entrepreneurs and startups to base and develop in Beijing. Based on the global partnership networks, HICOOL has built an information and resource matchmaking platform for the startup ecosystem. All parties on value chain can connect to each other through the services of HICOOL.

Selected CityUHK undergraduates will have the opportunity to intern at outstanding start-ups in the HICOOL ecosystem in Beijing to gain valuable hands-on experience and broaden their horizons to the diverse global start-up ecosystems.
