

2023 HSBC Insights into Asia Series – A World of Opportunity

Whatever degree discipline you are studying, your skills and passions have a place at HSBC. With our Insights into Asia series, you can learn about the opportunities and benefits of working in international banking, and meet world-class business leaders who share an interest in your career. These sessions will also help give you a head start ahead of our 2024 graduate and internship applications opening this August.

We have a lineup of exciting virtual sessions covering interesting topics such as Fintech and Environmental, Social and Governance (ESG) as well as various lines of business in HSBC specifically Global Banking & Markets and Wealth & Personal Banking.

We're operating on a first-come, first-served basis. Register now via the links below and we will send you the zoom link(s) with joining instruction for your chosen session(s) via email. Please note that these sessions will not be recorded, so we cannot circulate them after they have taken place.

Session 1: Three Ways the Metaverse Will Change the Bank

Join Peter Dingle, our Ecosystems and Partnerships Lead for HSBC's Venture and Growth Investments as he takes us on a journey through the Metaverse, explaining where HSBC has a 'right to win', demystifying the Metaverse opportunities of 'Play, Work and Serve' and setting out the job ahead of us in being the Future Internationalists' Bank of Choice.

Previously Wealth and Personal Banking's Head of Business Model Innovation, Peter has 20 years of experience as a High Tech Entrepreneur, Investor and CEO Consultant. Over the last two decades, he has developed, launched and managed multiple 100M+ Technology Hardware and software products in Asia. His Innovation Accelerators in Hong Kong and Singapore have helped over 75 Startups raise over USD50M in seed funding.
