About JA HK:

Junior Achievement Hong Kong (JA HK) is one of the 100+ members of JA Worldwide. Our programs enable young people to learn the world of work from the first-hand experience of business volunteers. Since our establishment in 2001, we have engaged the support of over 25,000 business volunteers from some 700 companies to serve more than 380,000 students from over 600 schools.

As one of the world's largest youth-serving NGOs, JA Worldwide prepares young people for employment and entrepreneurship. For 100 years, JA has delivered hands on, experiential learning in work readiness, financial literacy, and entrepreneurship. We create pathways for employ ability, job creation, and financial success. Each year, our network of over 450,000 volunteers serves more than 10 million students in over 100 countries.
