HSBC Hong Kong Career Information Session

Penultimate or final year student thinking about a career in finance? Join us at HSBC's main office for a career info session where you can get a real feel for what it's like to work in global banking.

You will hear a keynote from Maggie Ng, Chief Executive Officer, Hong Kong and Head of Retail Banking and Wealth, sharing what's happening in the market and why it is an exciting time to start your career at HSBC, a bank that is genuinely committed to developing young people.

After that, you will take part in an interactive networking session with business leaders and current graduate analysts, where you can ask honest questions and hear real answers. We will also walk you through our internships and graduate programmes, plus what to expect in the recruitment and assessment process so you can apply with confidence.
