Biography

Sando Chan is currently the Senior Manager of TAL Apparel Limited. During his tenure at TAL, his experience includes process improvement, supply chain management, and business analysis for IT system development. His recent duty is to develop replenishment solutions such as Vendor Managed Inventory with customers. He holds a Master of Science degree in Strategic Purchasing and Supply Management, an Associateship in Textile Technology from the Hong Kong Polytechnic University.

Tommy Siu graduated from Hong Kong Polytechnic with a Higher Diploma in Fashion and Clothing Technology. He joined TAL since 1997 to help set up the R&D department and is now the Senior R&D Manager. Prior to joining TAL, he was the Technical Manager of Courtaulds Clothing International, a key supplier to Marks & Spencer.
