200+ Exchange Destinations

Our students benefit greatly from our highly popular and expanding portfolio of global learning opportunities. This includes semester-based initiatives like the Student Exchange Programme, which features a robust network of over 260 host institutions - such as Copenhagen Business School, the University of British Columbia, and Fudan University - across 46 countries.

Additionally, students can participate in dynamic summer programmes, including the Cultural and Language Immersion Scheme (CALIS), Study Abroad (SA) and the Service Learning Programme (SL). Together, these initiatives support around 500 students each year, all of whom receive dedicated funding to support their international studies.
