

**Dr. Jag Kundi**

Adjunct Professor

*HK based scholar-practitioner in FinTech*

### Details:

Dr Jag Kundi is a Hong Kong-based scholar-practitioner. As a scholar he works with Universities globally both teaching and preparing content for the executive and postgrad programs. He has recently written, developed and taught academic and professional programs covering Finance, Accounting, Governance & FinTech, as well as advised other HE institutions on this subject matter. As a practitioner he acts as a business consultant, board adviser, mentor and investor to high-growth businesses and start-ups covering cryptocurrencies, tokenization and international contactless payment solutions.
