

Seminar for Development of Corporate Governance in Hong Kong and Mainland China

The Department of Accountancy is organizing a seminar regarding the latest developments in corporate governance in Hong Kong and mainland China.

Corporate governance is an essential element of accounting, especially in the assurance field. Supplying students with the latest news on corporate governance is certainly useful for their future work and studies.

The Department was very pleased to have Ms. Polly Wong, Vice Chairman of the Hong Kong Institute of Chartered Secretaries (HKICS) Education Committee, deliver a seminar on 24 March 2018. The topic was “The Latest Developments in Corporate Governance in Hong Kong/Mainland China.”
