

## AC Undergraduate Alumni Reunion on 7 June 2018

On the evening of 7 June 2018, over 60 undergraduate alumni and some current undergraduate students came to the undergraduate alumni reunion, despite the Typhoon Signal No. 3.

Many professors and teachers joined the event to catch up with some of their famous students, including Professor Jeong Bon KIM, Dr. Sidney LEUNG, Dr. Xindong ZHU, Dr. Zheng WANG, Dr. Bing LI, Dr. Yuyan GUAN, Dr. Stephanie TSUI, Mr. Alfred MA, Mr. Sunny WONG and Mrs. Mimi LAI. The educators discussed recent developments in the accounting profession and their current status. Many alumni brought up their memories of the professors as well! The event was very warm and full of joy.

Apart from the alumni, some current undergraduate students also attended the event. During the chit-chat with the alumni, they learned more about the accounting profession, their career paths, how the alumni got through difficult times in their careers and lives and the importance of good planning. This helped the alumni with their career planning when they started their careers as fresh graduates.

The department was very pleased to see the homecoming of the alumni and the communication between the fellow alumni and current students. In the future, we will organize different activities for our alumni and current students.
