(I): ISACA Model Curriculum related courses

IS Department reserves the right to make adjustments to the course offering pattern whenever appropriate. Programme structure, course codes and course titles are subject to continuous review and chances without prior notice.

For better study planning, students are reminded to pay close attention to the potential adjustment of course offering pattern by checking the Master Class Schedule in AIMS before the start of the course add/drop period each semester.

Not

1. English Language Requirement

Students admitted with HKDSE English Level 3 or equivalent are required to complete two 3-credit EAP courses, LC0200A English for Academic Purposes 1^ and LC0200B English for Academic Purposes 2, prior to taking the 2 GE English courses (GE1401 University English and GE2402 English for Business Communication). LC0200A & LC0200B will not be counted towards the minimum credit units required for graduation and will not be included in the calculation of CGPA. However, they will be counted towards the maximum credit units negmitted

^ Early Exit Arrangement: Students who demonstrate that they have achieved a grade B or above in their overall course results for LC0200A will achieve 3 credits and also be considered to have satisfied the pre-requisite for entry to the GE English courses without needing to take LC0200B.

2. Chinese Language Requirement

- (i) Students scoring below Level 4 in HKDSE Chinese Language OR scoring below Grade D in HKALE AS in Chin. Lang. & Culture are required to take a 3-credit unit course CHIN1001 University Chinese I. This course will not be counted towards the minimum credit units required for graduation and will not be included in the calculation of CGPA. However, it will be counted towards the maximum credit units permitted.
- (ii) Students who do not have the Hong Kong public exams results of HKDSE Chinese Language OR HKALE AS in Chin. Lang. & Culture are NOT required to take CHIN1001.

3. Gateway Education Course Distributional Requirements

Take at least one course (3 CU) from each of the areas below:

Area 1: Arts and Humanities

Area 2: Study of Societies, Social and Business Organizations

Area 3: Science and Technology

4. College Elective Requirement

Students are required to take 3 courses (9 CU) from the College elective list.

For students declaring BBA double major, 9 credit units of College Electives will be exempted. These 9 credit units can be used to fulfill the second major requirement. If students fail to complete the second major requirement in the end, they still need to complete the College elective requirement mentioned above.

Minor / Free Elective Requirement

Students who do not choose a minor are required to take Elective courses. The remaining credits are to fulfill the credit requirement for graduation, if so required.

For students declaring BBA double major, Minor/ Free Elective can be used to fulfill the second major requirement.

6. Students will select 2 courses out of the major electives pool shown below, from among the Stream Core courses of other IFMG Streams, or from among other IS courses as approved by the IFMG

For BBA students, in the case that the same course being offered in the Major and in College Electives, the credit units earned will count only once, for fulfilling the Major requirement, then for fulfilling the College requirement. Students have to take another College elective course to make up for the freed credit units. Students are responsible for ensuring the College and Major requirements being fulfilled to obtain graduation qualification.

*IS4542 AI Agents: Building Intelligent Business Solutions with Large Language Models

Free Elective (0-credit internship course)

IS2010 Internship in Information Systems

Normative 4-year degree students admitted from 2022/23 onwards are required to fulfill the internship/ consultancyproject/ research project requirement. Students may fulfill this requirement by taking approved course from college elective or major core/elective but preference shall be given to the major course as it is more directly relevant to students' chosen major(s).
