(7): ISACA Model Curriculum related courses

IS Department reserves the right to make adjustments to the course offering pattern whenever appropriate. Programme structure, course codes and course titles are subject to continuous review and changes without prior notice.

For better study planning, students are reminded to pay close attention to the potential adjustment of course offering pattern by checking the Master Class Schedule in AIMS before the start of the course add/drop period each semester.

Min. Total: 21 courses (63 CU)

Max. Allowable: 28 courses (84 CU)

* CU = Credit Units

Note

- (1) Only required to take GE2402 English for Business Communication. Block credit exemption will include GE1401 University English.
(2) May be required to make up for the university Chinese requirement.
(3) **Gateway Education Course Distributional Requirements**
Take **1 course (3 CU)** from any one of the three areas below:
Area 1: Arts and Humanities
Area 2: Study of Societies, Social and Business Organizations
Area 3: Science and Technology

(4) Students will select 2 courses out of the major electives pool shown on the right, from among the **Stream Core courses** of other IFMG Streams, or from among other IS courses as approved by the IFMG Major Leader.

(5) **College Elective Requirement**

Students are required to take **2 courses (6 CU)** from the College elective list.

For students declaring BBA double major, 6 credit units of College Electives will be exempted. These 6 credit units can be used to fulfill the second major requirement. If students fail to complete the second major requirement in the end, they still need to complete the College elective requirement mentioned above.

For BBA students, in the case that the same course being offered in the Major and in College Electives, the credit units earned will count only once, for fulfilling the Major requirement, then for fulfilling the College requirement. Students have to take another College elective course to make up for the freed credit units. Students are responsible for ensuring the College and Major requirements being fulfilled to obtain graduation qualification.
