

Go **GREEN** in the City

A GLOBAL BUSINESS CASE CHALLENGE

Bold Ideas Wanted for Energy Management and Automation of the Future.

Submit your bold ideas in urban energy management for
greener and smarter cities.

You could be among the top teams to travel to USA to
compete for the Grand Prize – a job offer at Schneider
Electric, a global leader in energy management
and automation!

Plus – a sponsored international trip to witness how Schneider
Electric leads innovation in IoT and digital transformation
around the world.
