

What brings you to Finance fresh out from school?

Being a diverse and inclusive company makes us strong and is essential to our ability to meet the needs of our clients, communities and employees. As a part of this, we invest in helping women make meaningful contributions within our company and in our communities. In addition, we recognize that women play a significant role in advancing thriving economies, and we've formed partnerships to help connect them to the tools and resources they need to succeed. We have strong representation of women at all levels of our organization and our support of women is evident in the resources we have focused on bringing female talent to our company, developing our employees and supporting the economic empowerment of women around the world.

Female Students Networking Event

Date: Tuesday, 5 June 2018
