The challenge is evaluated entirely on your performance and is **open to Bachelor, Master, MBA or PHD students from any university. More than 40 top performing past participants have secured internships or full-time positions with Credit Suisse!**

"I am surprised by the amount of exposure the HOLT internship offered me. One of my most memorable moments was when I saw an article in Barron's about a piece that my team published. It felt almost surreal to me to think that I had contributed to a publication that was being mentioned by a magazine that is read by business and global leaders."

Santiago Rada, HOLT Sector Specialist CO-OP NY with Global Co-Head of HOLT, Jim Ostry.
